

## **MINK MEADOWS GOLF CLUB**

**Mink Meadows is a semi-private, non-equity club in Vineyard Haven, Massachusetts. We offer great golf, friendly surroundings, and a supportive staff.**

### **MEMBER PRIVILEGES:**

**Unlimited playing privileges year round.**

**Member tee times may be made seven (7) days in advance (public may make tee times two (2) days in advance.**

**Members are eligible for all tournaments. Members may bring guests at reduced rates.**

**We have a bag storage facility and lockers/shoe storage available in the clubhouse.**

### **MEMBERSHIP FEES/DUES:**

**Members pay an initial one-time fee. (This fee may be paid over time up to three years.)**

**Our initiation fee and annual dues structure is designed to be the most competitive on the island. We consider it to be the best value available for golfers. We offer individual, family, couple, and winter memberships. Senior memberships (age 70+) also available at reduced rates.**

**Although we have a waitlist, it tends to be relatively short when compared to others. For only \$100, your position is secured on the list, plus you have options when your name is selected for membership. The options include deferring for a year with guarantee of membership the following year, or going to the end of the list in anticipation of a better time for personal reasons to join the club.**

### **FACILITIES:**

**Recently built Clubhouse and Pro Shop.**

**Immaculately maintained course. "Best kept secret on the island."**

**Practice range and putting/chipping greens.**

**Lessons/Clinics by PGA Pro (Chet Nowak), who is on Golf Digest Schools (FL) teaching staff in the winter season.**
